TRIPLE AUDIO EXCLUSIVE PARTNER FOR KLOTZ DIGITAL IN THE NETHERLANDS

Haar, Germany – KLOTZ DIGITAL has recently appointed Triple Audio as their exclusive Broadcast System Provider in the Netherlands. Triple Audio is one of the country's leading broadcast systems integrators with exclusive service-contracts for the regional broadcasters in the Netherlands.

A large number of successfully completed projects are managed by Triple Audio and the main occupation of Triple Audio is handling audio related projects for the broadcast industry.

"We will take care especially attention to the after-sales service, maintenance and quick response to our customers", Lucas Reijnders pointed out. Together with Martijn Reinalda he managed the company since their foundation 1989.

"During the latest AES show in Amsterdam new broadcast projects are planned for Triple Audio and KLOTZ DIGITAL", Erich Schuessler – sales manager/Northern Europe of KLOTZ DIGITAL explained. "We are happy to have that excellent relationship with Triple Audio and working together on new VADIS projects for the Netherlands broadcast market".
