## **KLOTZ DIGITAL NAMES TREVOR SPIELMANN SALES MANAGER EUROPE**

**Munich, December 2008** – KLOTZ DIGITAL today announced that it has strengthened its sales team. Thomas Klotz, CEO of KLOTZ DIGITAL has appointed Trevor Spielmann to the position of Sales Manager for Europe. At KLOTZ DIGITAL in Munich, Mr. Spielmann is responsible for all sales activities referring to the whole range of broadcast products and to cultivate and expand the sales channel in this market. “I am pleased that Trevor has joined our sales team for which he will be a valuable asset, as he possesses the ideal combination of expertise and strong knowledge in the field of broadcast, post-production and presentation business”, says Thomas Klotz. He continues: “In all ways possible, Trevor is committed to top customer service, being the lead contact person for all our European sales and service partners. His hiring strengthens our operations and arms us to better service our existing partnerships.”

Mr. Spielmann, who bears a university degree in Photo- and Media Engineering, hails to KLOTZ DIGITAL from DVC, Digitalvideo Computing GmbH, where he served as sales manager. Technical consulting, selling of HighDefinition Disk-Recording Systems as well as IPTV/Streaming Solutions to customers in the Broadcast-, Postproduction-, Presentation- and R&D business were among his main tasks. Furthermore, his previous experience includes working for Warner Music Manufacturing Europe GmbH, where he was responsible for the acquisition, budgeting and leading of DVD feature film projects for NewLine Cinema and Warner Home Video. “KLOTZ DIGITAL is a well-established brand, offering a sophisticated product range to the broadcast and public address market,” remarks Trevor Spielmann. “I am looking forward to my new challenges and to contribute my experience to the team of KLOTZ DIGITAL and its partners. I will assist our customers and dealers with all matters of broadcast related consulting and sales, supporting them to extend their business and achieving a high level of customer satisfaction.”
